Provider Name	Changed Lives Christian Center
Provider Description	<p>A partner of The Foundry Ministries, Changed Lives Christian Center (CLCC) is a Christ-centered ministry that offers transitional housing for men who are on their way to recover from homelessness, whether from the economic recession or other personal issues. CLCC aims to do more than manage the homeless by feeding and sheltering them overnight or for a short time. The mission of Changed Lives is to take human beings who are presently homeless and weave them back into the fabric of productive society. The center currently houses 55 men for up to two years: providing a mailing address, getting Social Security cards and/or drivers licenses if needed, offering medical and dental care, teaching life skills (two hours of classes each week) and helping them find jobs.</p>

Provider Name	Olivia's House
Provider Description	<p>Olivia's House provides holistic care for chemically dependent women and their children. Children, up to age 10, live with their mothers at Olivia's House during the course of residential treatment, a period of up to twelve months.</p> <p>The length of the sober living phase of treatment at Olivia's House is individualized. The actual length of a woman's stay will be dependent upon the severity of her illness, her response to treatment, and the availability of independent living resources.</p> <p>After discharge from the residential program, women may continue to attend aftercare groups to help maintain recovery efforts and to assist in the translation to an independent lifestyle. Aftercare support groups are held weekly at Olivia's House and are designed to help clients in the day to day process of developing a high quality lifestyle.</p> <p>Children will receive routine medical services at varying locations that includes vision, hearing, and dental care. Children needing specialized care will be referred to the appropriate community resource. Coordination of children's services will be a function of case management, the child development staff, and the nursing staff. Separate records documenting service delivery will be kept on all children. These services, including medical care, will be available for all of the women's children who are in residence with her.</p>
